

Annual Programme 2025

“A HOUSE OF PRAYER AND SPIRITUAL HELP
FOR THE GLORY OF GOD”

Sister Eveleen Barklie 1939

*In a world that often pulls us in many directions,
there is a constant, quiet invitation to come and rest in the presence of God.
We are designed to yearn for something greater than mere distraction
—a place where we can step away from the demands of our days
and into a space of peace and stillness.*

*Here, surrounded by our city’s trees and the vast expanse of sea and sky,
there is a place that offers the rest we long for.
It is a space where time may slow,
where the rhythmic crash of the waves and the stillness of the garden draw us back to ourselves and
into an awareness of God’s presence.*

*This is not a place of confinement, but of openness, where anyone
—regardless of where they come from or what they believe—
is welcome to sit, to breathe, and to be.
The gentle pathways, the chapel doors open wide,
and the lush and vibrant nature all beckon us to release the busyness we carry.
And in letting go, we discover the richness of solitude.*

*Here, silence is not an absence but a fullness.
It becomes a language of its own, speaking to the heart, inviting reflection,
and drawing us closer to the still, small voice of God.*

*Whether in the quiet of an individual retreat or through shared sessions and community,
be welcomed in this place
—a sanctuary for those who seek replenishment, a pause in the whirlwind of life,
a reminder that we are not merely what we produce or consume
but beings created for rest, for silence, and for the joy of knowing God.
([Sister Eveleen Intro](#) by Joel Tempero)*

Come and visit us ...

*discover our hidden treasure on the hill ...
in a guided or private retreat for yourself,
an individual stay, day stay
or with your church group*

Living from the Tree of Life”

“On each side of the river stood the tree of life... and the leaves of the tree are for the healing of the nations.” Revelation 22:2

This retreat is an opportunity to start the year by setting aside time to rest, pray and reflect. Not a mad rush to fulfil New Years resolutions, but rather to draw aside from the busyness of the past season, resting in God’s great love, with our time primarily spent in silence, with rhythms of contemplative prayer and a balance of devotional input, with plenty of time to listen for the Spirit’s leading for the year. Learning to respond to Gods invitation to live from the Tree of Life, not from the Tree of the Knowledge of good and evil, and considering what that might mean for our daily lives.

Praying with Evelyn Underhill – A 7-day silent directed retreat

Evelyn Underhill's belief that all of life was sacred, was based on her understanding of the incarnation. Evelyn (1875- 1941) was born into a wealthy secular family but had several mystical experiences during her childhood. Her lifelong search for the meaning of these experiences was the driving force behind her research and writing on the Christian life. She was a prolific author and published over 30 books on spirituality. She was the first woman to deliver lectures to the clergy in the Church of England, to officially conduct spiritual retreats for the Church, to establish ecumenical links between churches, and one of the first woman theologians to lecture in English

colleges and universities. In this retreat we will use some of Evelyn's writings on Prayer to throw light on our own spiritual journeys. Daily individual spiritual direction will be available.

A Day ... with St. Clare of Assisi

We often hear much about St. Francis, but who was this bold, courageous, and humble woman, inspired by his way of life? Clare was not only one of the first to follow Francis but also a trusted companion in his mission, deeply sharing his vision of living the Gospel in simplicity and service. Guided by the power of the Gospel, Clare broke through the conventions of her time. Clare's life was one of seeking and spiritual journeying, and it calls us to move beyond our own limited perspectives. This retreat offers a peaceful day for reflection, inviting you to encounter this remarkable woman through her four letters, her testament, and her rule. The day invites you to pause and take a little time out for yourself- drawing inspiration from St. Clare.

Facing the Fire: A Journey into Darkness with the Spiritual Exercises of St. Ignatius

The Spiritual Exercises of St Ignatius has been a classic of Christian spirituality since its publication in the 16th century, with many Christians still completing either the entire 30-day retreat or over a longer period in daily life. Yet the opening section of the text is largely ignored in the present day, in part due to its focus on disorder, sin, and hell. With so much darkness in the world, we tend to focus on the lighter, more hopeful side of the Christian faith. But what if a little bit of darkness is exactly what we need right now? In this retreat, Eddie looks at the first week of the Spiritual Exercises as a medieval example of 'Shadow work', a confrontation with the unacknowledged dark side of our personality that we must come to terms with if we are to become the undivided people God is calling us to be. Refresh yourself amid the beauty and spirit of contemplative joy at Sister Eveleen Retreat House, rooted in the Christian contemplative tradition. The weekend will include gentle prayers, reflective moments, and ample space for rest, contemplation, and meditation in a setting that warmly welcomes all. **Date:** Fri, 24th (5pm) – Sunday 26th October (1:30)

Cost (fully catered): 3-day (2-nights) retreat: NZ\$330

Hearts Ablaze – Praying with the Psalms

Moving beyond mediocrity to passion. Write your own psalm of praise.

Pen your own lament

Join Sister Eveleen Retreat House and Ignatian Spiritual Director Colin Renouf, together with his wife Carol for this 2-

Night Retreat focusing on the Psalms as our Prayer Book. “To instruct us in candid honesty, God gave us the book of Psalms – a worship manual, full of ranting, raving, doubts, fears, resentments, and deep passion combined with thanksgiving, praise and statements of faith...this is how God wants us to worship him – holding back nothing of what you feel.” Rick Warren. We will look at various types of psalms, let them speak to us, understand their form and structure, then write our own psalms. There will be periods of silence throughout the retreat.

Date: Fri 7 (5pm) – Sun 9 November (3pm)

Retreat leaders: Carol and Colin Renouf.

Cost (fully catered): \$330.

Sponsor a Retreat:

Having a time of retreat is a crucial component of our spiritual lives and relationship with God.

However, they can also be an unaffordable luxury for many.

SERH has a special fund to reduce the cost of retreats for those in financial hardship.

Support the Running of the Retreat House:

We want SERH to be accessible to everyone, regardless of their financial situation. You can help us keep our prices low by making a donation towards the day-to-day costs of running the retreat house.

You can either make a one-off donation or a regular contribution.

GETTING TO SISTER EVELEEN RETREAT HOUSE

Our Location:

Please be aware of our [access disclosure](#) - SERH is a very secluded retreat, which unfortunately means that there is limited vehicular access. Getting to SERH involves a ten minute uphill walk and then a short walk to the house either via a steep uneven zigzag path that is not wheelchair friendly or an almost level track from the top.

If you are able, we encourage the use of public transport, walking, or cycling as part of your journey to us, as a mindful way to begin this retreat day and to honour and protect our creation.

by public Transport:

The bus no. 3 goes (via Bus Exchange) to Sumner ([Timetable](#)), Bus Stop: Nayland St./near Head St.. Walking from there is about 20 min.

by bike:

The cycleways are very well built to Sumner, either on the road or via [Te Ara Ihutai-The Coastal pathway](#). Bring your bike up the track and you can lock it at the fence.

by car:

There is not very much parking on Whitewash Head Road, and this usually taken by neighbours, so it is best to park down by the waterfront, on Heberden Avenue, or Scarborough Pool ([see map on website](#)) and walk up the hill. Even if there are parks on Whitewash we ask that you don't use them as there are already insufficient parks for residents. You're more than welcome to park temporarily to drop off your things, though. -

If you are dropped by car or if you have some difficulties with the hill, you could use the almost level pathway to Sister Eveleen House – ask for a more detailed map

Once you are at Whitewash Head Road

Walk up the road until the end of the stone wall, enter through our gate and follow the path

For a map, please refer to the website www.sistereretreat.com

If you need assistance on your day of arrival, please give us a call or send us a txt (022 563 6879)

If you are dropped off rather than driving yourself

There is no parking on the road up to Sister Eveleen, so all cars need to be left parked by the playground at the bottom of the hill for the week we are on retreat. Whitewash Head Road itself is narrow, but there is a turning and drop-off space at the top of the first leg of the hill where the road turns the corner.

An unmarked pedestrian entrance between houses number 16 & 18 leads onto an almost level walking track that takes you behind the row of houses to just past the rear entrance to Sister Eveleen Retreat House. Come down the steps and the path ends at the back door of the Retreat House.
